

Could **you** help

transform health & care in Surrey?

We're looking for 7 Citizen Ambassadors to independently influence and improve the quality of health and care services in Guildford & Waverley, North West Surrey and Surrey Downs.

This is a unique opportunity to represent the voices of local people, offer new ideas and challenge perspectives to help ensure services and plans for health and social care work for the people of Surrey.

You will be able to work on:

- Urgent and emergency care, out of hospital care and primary care
- Mental Health
- Women and children's services
- Cardiovascular services
- Musculoskeletal services
- Cancer
- Digital
