

## Giving Carers a Voice

**Do you provide care or support to a relative, friend or neighbour? Are you getting the support you need to carry on caring?**

**Would you like to help improve services and support for carers in Surrey?**

If you provide unpaid help or support to anyone who couldn't manage without that help, then you are a carer and we would like to hear from you.

Please share your experiences of local services with us.

You can do this by:

-  Phoning our Helpdesk: 0303 303 0023
-  Sending an SMS to our Helpdesk: 07592 787533
-  Emailing: [enquiries@healthwatchesurrey.co.uk](mailto:enquiries@healthwatchesurrey.co.uk)
-  Sharing your feedback via our website:  
[www.healthwatchesurrey.co.uk/feedback-centre/](http://www.healthwatchesurrey.co.uk/feedback-centre/)

We want to hear from you about both your good and bad experiences of the support and services you have received, or if you have had problems getting services or support.

As Healthwatch Surrey, we are experienced in gathering people's feedback and using this to help service providers know what they are doing well and what might need to change.
